

The British Academy

Textbook Policy

Text book Requirements

Textbooks are coded and supplied to each student at the beginning of the school year. The student must enter their name on the inside cover on their assigned textbook and cover all books within the first week of the school term. These textbooks must be kept in good condition and returned at the end of the school year. Students are responsible for the specific book coded and issued to them.

The school will not issue a school report or examination results unless all the textbooks are returned.

Lost or damaged

In the event that a student has lost or damaged a textbook, parents will be invoiced for the total cost of replacement for immediate payment.

Other books

Students are required to purchase workbooks in several of the subjects. These must be kept clean and covered and brought to every class as required by the teacher.

Lab books, Soft Cover Notebooks , Lined Examination Pads and Homework Diaries are also available from the office.
