

# **TEXT BOOK AND STATIONERY REQUIREMENTS**

## **SCHOOL TEXT BOOKS**

Tuition fees include the cost of the text books for each student. The text books which are given to the student at the beginning of the school year must be covered and kept in a good condition. At the end of the school year, the text books must be returned to the school. If all the text books are not returned, the student will not receive his/her end of year school report. In the event that a student has lost or damaged a text book, the school office will issue an invoice for the replacement cost of the book/s which the parents must settle immediately so that a replacement can be issued to the student.
